

In re Carlos, 5 ROP Intrm. 26 (1994)
IN THE MATTER OF MARIANO CARLOS,
Respondent

DISCIPLINARY PROCEEDING NO. 4-94

Supreme Court, Disciplinary Tribunal
Republic of Palau

Dismissal order

Decided: December 13, 1994

Disciplinary Counsel: Juliet Browne, Attorney General's Office

The Disciplinary Tribunal has reviewed the Disciplinary Counsel's Report. The Tribunal agrees with the Disciplinary Counsel that Respondent's use of vulgarity in his correspondences with another attorney is unprofessional but does not rise to the level of "verbal abuse" warranting disciplinary action. Accordingly, the complaint against Respondent is DISMISSED. The Tribunal strongly discourages such behavior and cautions Respondent to maintain a level of decency and decorum expected of members of the Palau Bar.
